3- Notices

- The Company, the Selling Shareholder and the Financial Advisors draw the attention of the recipients of this Supplementary Prospectus to the importance of considering and abiding by all of the terms and restrictions relating to the Offering set forth in the Red Herring Prospectus.
- This Supplementary Prospectus should be read in conjunction with the Red Herring Prospectus and prior to making an investment decision, each recipient of this Supplementary Prospectus is responsible for obtaining independent professional advice (in the case of investors in the Kingdom, from a CMA licensed financial advisor) in relation to the Offering. Each recipient of this Supplementary Prospectus must rely on its own examination of the Company and the appropriateness of both the investment opportunity and the information herein with regard to the recipient's individual objectives, financial situation and needs, including the merits and risks involved in investing in the Offer Shares.
- This Supplementary Prospectus may not be distributed, and the Offer Shares may not be sold, to any person other than the Participating Parties and/or the Individual Subscribers described in the Red Herring Prospectus.

4- Reason for the Issuance of this Supplementary Prospectus

In accordance with Article 31 of the OSCOs, an issuer must submit a supplementary prospectus to the CMA if at any time after the prospectus has been published, and prior to the completion of the Offering, an issuer becomes aware that:

1. there has been a significant change in material matters contained in the prospectus; or
2. additional significant matters have become known which would have been required to be included in the prospectus.

In consultation with the Financial Advisors, the Company has decided to increase the maximum number of Offer Shares that can be allocated to the Individual Subscribers from three million, six hundred thousand (3,600,000) shares (representing 10% of the total number of Offer Shares) to ten million eight hundred thousand (10,800,000) shares (representing 30% of the total number of Offers Shares).

Based on this change, the Company has made certain amendments to the Red Herring Prospectus which are illustrated in section (5) ("**Amendments to Certain Information in the Red Herring Prospectus**") of this Supplementary Prospectus.

5- Amendments to Certain Information in the Red Herring Prospectus

A. Certain paragraphs in the cover page of the Red Herring Prospectus have been amended to become as follows (after amendment):

- **Tranche (A): Participating Parties:** This tranche comprises a number of institutions and companies, including investment funds, qualified foreign investors ("**QFI**"), and GCC investors with legal personality (collectively referred to as the "**Participating Parties**") who entitled to participate in in the book building process as specified under the Instructions for Book Building Process and Allocation Method in Initial Public Offerings (IPOs) (the "**Book Building Instructions**") issued by the Capital Market Authority ("**CMA**"). Please refer to Section 1 ("**Definitions and Abbreviations**") for more information. Participating Parties will initially be allocated thirty-six million (36,000,000) ordinary shares, representing 100% of the Offer Shares and the final allocation will be made after the end of the subscription period for Individual Subscribers (as defined in Tranche (B) below). In the event that Individual Subscribers subscribe for the Offer Shares allocated thereto, the Financial Advisors shall have the right to reduce the number of Offer Shares allocated to Participating Parties to twenty-five million two hundred thousand (25,200,000) Shares, representing seventy percent (70%) of the Offer Shares. The Financial Advisors in coordination with the Company (each as defined in Section 1 ("**Definitions and Abbreviations**")), shall determine the number and percentage of Offer Shares to be allocated to Participating Parties, using the discretionary allocation mechanism. It is possible that certain Participating Parties will not be allocated any shares as deemed appropriate by the Company and the Financial Advisors.

- **Tranche (B): Individual Subscribers:** This tranche comprises Saudi natural persons including any Saudi female divorcee or widow with minor children from a marriage to a non-Saudi individual, who is entitled to subscribe to the Offer Shares for her own benefit or in the names of her minor children, on the condition that she proves that she is a divorcee or widow and the mother of her minor children, any non-Saudi natural person who is resident in the Kingdom or GCC nationals, in each case, who have a bank account, and is entitled to open an investment account, with one of the Receiving Agents (collectively referred to as the **"Individual Subscribers,"** and each an **"Individual Subscriber"** and together with the Participating Parties as the **"Subscribers"**). A subscription for Shares made by a person in the name of his divorcee shall be deemed invalid and if a transaction of this nature is proved to have occurred, the law shall be enforced against the applicant. If a duplicate subscription is made, the second subscription will be considered void and only the first subscription will be accepted. A maximum of ten million eight hundred thousand (10,800,000) Offer Shares representing thirty percent (30%) of the Offer Shares shall be allocated to Individual Subscribers. If Individual Subscribers do not subscribe for all the Shares allocated thereto, the Financial Advisors may reduce the number of Shares allocated to them in proportion to the number of Shares to which they subscribed.
- Each Individual Subscriber must apply for a minimum of ten (10) Offer Shares. The minimum number of Offer Shares that can be allocated is ten (10) shares, while the maximum number is two hundred fifty thousand (250,000) shares. The balance of the Offer Shares, if any, will be allocated pro rata based on the number of Offer Shares requested by each Individual Subscriber and the total number of the Offer Shares. In the event that the number of Subscribers exceeds one million eighty thousand (1,080,000) Subscribers, the Company will not guarantee the minimum allocation of ten (10) Offer Shares per Subscriber. In this case, the allocation will be determined at the discretion of the Company and the Financial Advisors. Excess subscription monies, if any, will be refunded to the Individual Subscribers without any charge or commission being withheld by the Receiving Agents. An announcement of the final allotment will be made on Monday 02/05/1443H (corresponding to 06/12/2101G) and refund of subscription monies, if any, will be made no later than 04/05/1443H (corresponding to 08/12/2021G) (refer to Sub-section (**"Allocation of Shares and Refund of Excess Subscription Monies"**) in Section 17 (**"Share Information and Subscription Terms and Conditions"**) of this Prospectus).

A subscription for Shares made by a person in the name of his divorcee shall be deemed invalid and if a transaction of this nature is proved to have occurred, the law shall be enforced against the applicant. A maximum of ten million eight hundred thousand (10,800,000) Offer Shares representing thirty percent (30%) of the Offer Shares shall be allocated to Individual Subscribers.
